Member Agreement

Aesthetic Success Network, operated by Ekwa Marketing Inc. ("ASN", "we", "us") · Last updated: July 11, 2026

This agreement governs your membership in the Aesthetic Success Network. By joining as a member you agree to the terms below.

01 Membership benefits

Your membership includes access to the Expert Hotline, a growing resource library with new expert kits added regularly, exclusive member-only deals from vetted partners, and live AMA and continuing-education sessions. Content and features may be modified at our discretion with reasonable notice.

02 The Expert Hotline

The Hotline works as follows: you call our toll-free line, (855) 567-5323, and leave a voicemail describing your question. Our team, assisted by AI tools, reviews it and replies in writing by text and email within 2–3 business days with a recommended solution and typically 3–4 experts to contact. The Hotline is not a live or 24/7 helpline, and it provides business guidance only: nothing from the Hotline constitutes legal, financial, tax, clinical, or insurance advice. Expert referrals are routed by fit, never by payment.

03 Account access and sharing

Membership is tied to you and your practice. Staff within your registered practice may use your access. Credentials may not be shared outside your practice, and we may monitor usage patterns for inappropriate sharing.

04 Pricing, auto-renewal, and the founding rate

Founding members (the first 100) pay \$49 per month, or \$490 per year (two months free), and that rate never increases while the membership remains continuously active. If your membership lapses or is cancelled, the price lock ends, and rejoining is at the standard rate of \$199 per month. Memberships renew automatically unless cancelled before the renewal date; we send renewal reminders in advance.

05 Content usage rights

You may stream member content for your professional development and download templates, worksheets, and documents for use inside your own practice. You may not record or screen-capture content, redistribute it, upload it to other platforms, or use it to create competing products.

06 Partner deals and savings

Partner offers are negotiated for members collectively. Any savings figures we discuss are estimates or illustrations, individual results vary, and no savings are guaranteed. Transactions with partners are between you and the partner; ASN is not a party to them.

07 Member conduct

The network must be used professionally. Harassment, misleading content, uses unrelated to the network's purpose, and attempts to circumvent security are prohibited and can result in termination without refund.

08 Disclaimer

Network content does not constitute legal, financial, tax, clinical, or insurance advice. Results are not guaranteed. We do not collect, store, or process patient data of any kind; ASN is a business education and services platform, not a clinical one.

09 Termination

We may terminate memberships for violations of these terms, unauthorized credential sharing, or payment failure. Terminations for violations are not refunded. Access interrupted by a failed payment is restored when payment is resolved, subject to the Refund & Cancellation Policy.
